CLOVIS VOTES \$18,000 IN BONDS FOR SCHOOL

Clovis, N. M., July 1. — The progressive element of Clovis scored another victory at the election which was held to determine whether there should be an \$18,000 bond issue for the new proposed ward school building. While the vote was not heavy, there were but few votes registered against the proposition, and the school children with the board of education and newly elected faculty of the city schools, are rejoicing with the expectation of having more room for the classes when school opens in the fall.
